Review Report on Interim Financial Information

AM/ 218

To the Chairman and Members of the Board of Directors
Arab Bank
Amman – Jordan

Introduction

We have reviewed the accompanying condensed consolidated interim statement of financial position of Arab Bank Group as of June 30, 2014, and the related condensed consolidated interim statements of income, comprehensive income, changes in owners' equity and cash flows for the six-months period then ended, and a summary of significant accounting policies and other explanatory notes. Management is responsible for the preparation and fair presentation of this condensed consolidated interim financial information in accordance with International Accounting Standard IAS (34) relating to Interim Financial Reporting. Our responsibility is to express a conclusion on this condensed consolidated interim financial information based on our review.

Scope of Review

We conducted our review in accordance with International Standard on Review Engagement 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity". A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying condensed consolidated interim financial information is not prepared, in all material respects, in accordance with International Accounting Standard (34) relating to interim financial reporting.

The fiscal year of the Group ends on December 31 of each year. However, the accompanying condensed consolidated interim financial statements have been prepared in accordance to the instructions of the Central Bank of Jordan, the Jordan Securities Commission, and Companies Control department only.
