How to link your Arabi Points with Wafii app through Arabi Mobile:

- Log in to Arabi Mobile
- From the side menu, choose "Wafii".

- After clicking on "Wafii", you will be redirected to a new page that explains the service.

- Click on "Start" to create the Arabi Points code.

- On the next page, read and accept the terms & conditions, and then click on "Submit" to successfully complete the Arabi Points code creation.

- After completing the code creation, you will share this code on Wafii app by clicking on the sharing icon with 3 dots on the top right of the screen.

- After installing the Wafii app, enter the mobile number that you'd like to link your Waffi account with.

How to redeem your Arabi Points on Wafii app

- Open "Wafii" app.
- From the main page, choose "Pay"
- The app will ask to scan the QR code that is created from the merchant's side.
- A new screen will show the bill amount and the points balance, where you will choose how to pay.
- If you choose to pay with your Arabi Points, you will receive an OTP (one-time password) in a text message on your registered mobile number on your Arab Bank account for SMS services.
- Enter the OTP that you have received.
- Wait until the payment is completed successfully. A green screen will show with a big tick icon.
- Click on "Done".

If you are already a "Wafii" user and you want to activate this service, all you have to do is go to the profile option, choose "Link your Bank Account" and follow the steps.

For Arab Bank customers, all you need to do now is install both applications (Arabi Mobile and Wafii) and start redeeming your Arabi Points at over 70 of the best merchants in Jordan.

For non Arab Bank customers, you can open new account through Arabi Mobile app to benefit from all services including redeeming your Arabi Points at all Wafii merchants.
